

Privacy and information protection policy.

By leaving data on the site, you agree to the Privacy and Information Protection Policy.

#### Data protection

The site administration <https://goldenrivercats.ucoz.ru/index/kotata/0-6> (hereinafter referred to as the Site) cannot transfer or disclose information provided by the user (hereinafter referred to as the User) when registering and using the site's functions to third parties, except as described by the legislation of the country in which the user operates.

#### Obtaining personal information

For communication on the site, the user is obliged to enter some personal information. To verify the provided data, the site reserves the right to require proof of identity online or offline.

#### Use of personal information

The site uses the User's personal information for maintenance and to improve the quality of the services provided. Some of the personal information can be provided to the bank or payment system if the provision of this information is due to the procedure for transferring funds to the payment system, the services of which the User wishes to use. The site makes every effort to preserve the safety of the User's personal data. Personal information can be disclosed in cases described by law, or when the administration considers such actions necessary to comply with the legal procedure, court order or legal process necessary for the User to work with the Site. In other cases, under no circumstances, the information that the User transmits to the Site will not be disclosed to third parties.

#### Communication

After the User has left the data, he receives a message confirming his successful registration. The user has the right to stop receiving newsletters at any time by using the appropriate service on the Site.

#### Links

The site may contain links to other sites. The site is not responsible for the content, quality and security policies of those sites. This privacy statement applies only to information posted directly on the site.

#### Safety

The site ensures the safety of the User's account from unauthorized access.

#### Change notifications

The site reserves the right to make changes to the Privacy Policy without further notice. The innovations come into force from the moment of their publication. Users can track changes to the Privacy Policy on their own.
